Right to Review Notice

You are receiving this notice because we don't have your email address, you opted out of email delivery, or it is time for annual elections. Please complete the registration form *on the reverse side* and return it. It will help us verify the accuracy of the voter directory with your name, lot number, mailing address, phone number and allow you to opt in or out of email delivery of required disclosures and notifications in the future. Your participation can speed up our SHOA administration and save us postage, envelopes, and printing expenses.

Due to regulatory requirements to ensure confidentiality, Board of Directors election ballots *will always be delivered by US Mail*.

All owners/members have the right to review the accuracy of their entry in the voter directory at any time upon request. Each entry contains the name(s), lot number(s) and mailing address for the voter. Each lot gets one vote. Report any errors or omissions to the Secretary.
